

## Running for a good cause at Tekom! - And you are welcome to join us!

### Want to get energized before the fair starts? Come run with us!

You are welcome to join us on two fair days – Wednesday, Nov 12, and Thursday, Nov 13, from 7 am to 7.45 am – on our 5 km run (one or two laps). We'll meet on Messepiazza, right in front of the ICS. And where does the good cause come in? That's easy: you run – we donate. **0,50€** per kilometer go to **Translators without borders!** It's definitely worth it!

As a little thank you for your support, you will receive one of our running group's *ez:Laufgruppe* t-shirts. Interested? If possible, please let us know in advance. To sign up for our runs and to get your free shirt (limited number available), you can either visit our booth 2/E13 in hall C or you can send a short email to [christian.enssner@enssner.de](mailto:christian.enssner@enssner.de).

### Running for Translators without borders - How it all started

A few months ago, the enthusiasm for running really got to us at EnssnerZeitgeist Translations GmbH. After our successful participation in the MainCityRun in Schweinfurt, we had the idea to combine a healthy lifestyle with a good cause. For every kilometer we run, 10 cents are donated to **Translators without borders** – an international non-profit NGO founded in 1993 and dedicated to providing free translations and interpreting services to other relief organizations. That way, our efforts pay off double!

In March, CEO Christian Enssner, who has been participating in long distance runs and triathlons for three years now, had the idea to start an in-house running group. You can meet him at Tekom and also join him for our morning runs to kick-start your days!

For more information on Translators without borders, please visit our website [www.enssner.de/de/translatorswithoutborders](http://www.enssner.de/de/translatorswithoutborders) – you can also follow our progress there. The counter is updated weekly with the total number of kilometers we have covered so far and the amount of Euros we are going to donate to TWB at the end of the year.

We translate into 50 languages. And have been doing so for more than 65 years. Certified in line with ISO 9001:2008. With more than 400 in-house translators. We are represented all over the world in 25 locations.
